Mr. Sydney P. Noe.

Secretary of the American Numismatic Soc.

Dear Sir :

I have received your kind letter adjoining the receipt, and a few days after, a packet with two Catalogues sent for you. I am very thankful to you for your attention. In truth, they are very interesting; but the matter is that they are a little dear, because the exchange of dollars in argentine pesos is a little high. The 13 dollars costed me 33 $ argentine. But in any case I am proud to have them in my library. I beg would you like to advertise me of some new publications on medals. Next month I shall send to your Society some differents medals executed for me, and it would be for me a great pleasure to know your particular opinion and the Society President', on my art work.

I adjoint a bill (N°. 7720) against the National City Bank, for dollars 13,30.

Given again my thanks for your kindness,

Remain very truly your

J. C. Oliva Navarro
